AMENDMENT**

Sir:

This is responsive to the Notice of Non-Compliant Amendment (the "Notice") dated September 8, 2005, and is supplemental to the Amendment filed on August 29, 2005, (the "Amendment"), in the above-identified application.

The Notice indicates that the Amendment is considered to be non-compliant for failing to meet the requirements of 37 C.F.R. § 1.121. Specifically, the Notice indicates that the Claim 10 has not been presented with a proper status identifier.

In response to the Notice, Claim 10 has been correctly identified with the status identifier “Currently Amendment” in parenthesis.

The Examiner is respectfully requested to amend the application, as follows.
